

# WORLD'S TOP YOUTUBE CHANNELS

SAYS

Youtube is a easy way to say our thinks in video formate

It is also one famous site of GOOGLE

It all type of video like study, comedy, work.

It is a big way of entertainment and knowledge growthing library of all peoples

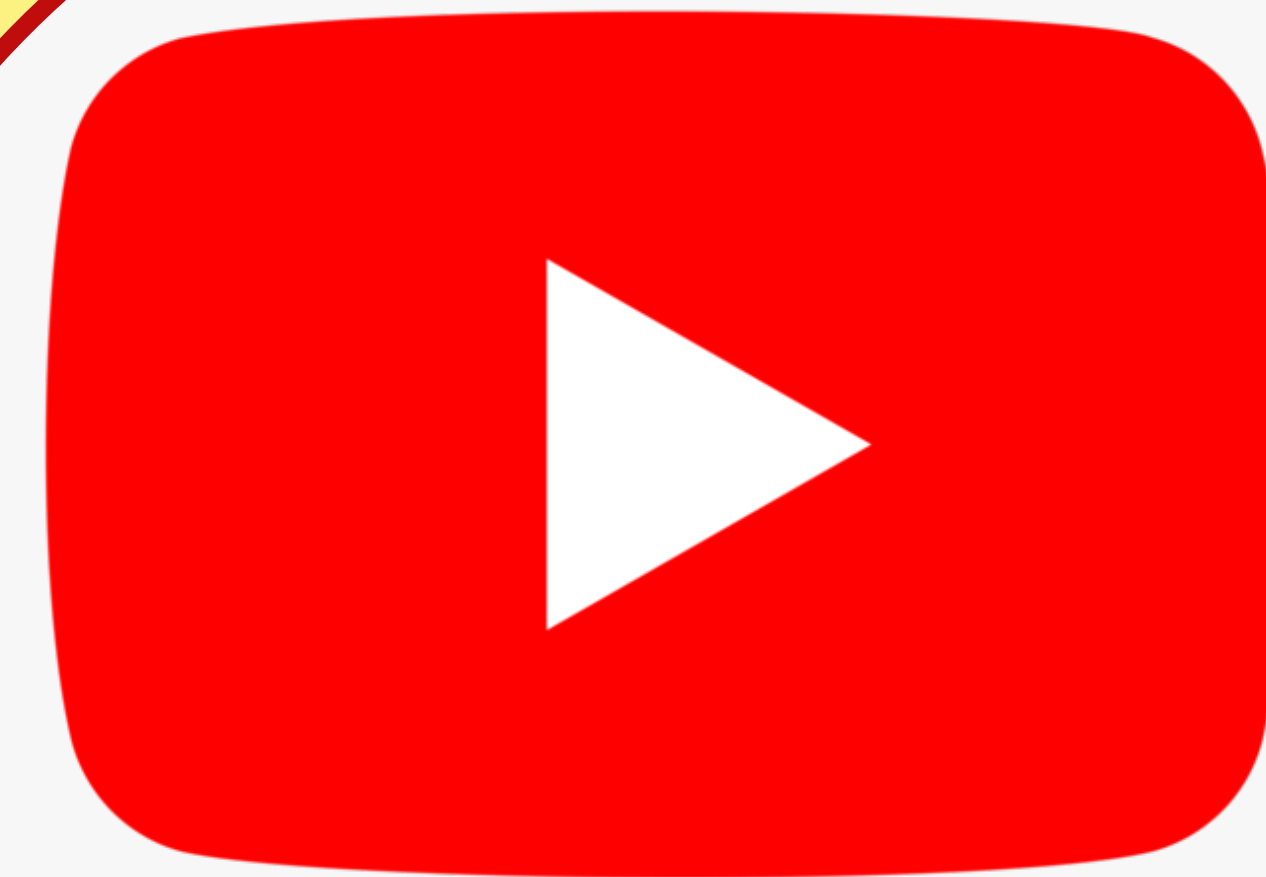

THINKS

I love youtube, its entertine me many time so,i think to make a youtube channel

It is a one way of earing money and subscribers

It is not only a video sharing and watching place.

I know about the people liking topics and do my best work to earn many subscribers

YOUTUBER

I like Video making, so I also make youtube channel

My feeling about the youtube is good and bad also...

There are lot of different emotions are i see in this youtube

Now i am also the vloger in this youtube i also create channel and make different videos

so i now earn many subscribers and money.

youtube has millions of channels that has many good and bad contents are posting...

I feel very must for use all sources

DOES

FEELS
